ARCHIVES DE NUREMBERG

Note pour Monsieur BRUINSMA

La collection des disques des Archives est restée dans la salle des emballages au sous-sol, telle qu'elle y avait été apportée le 14 mars 1950. Elle se compose de 9 caisses rangées verticalement entre les deux portes. Ces caisses portent chacune:

sur le côté visible une étiquette avec le No d'inventaire de la caisse H-5260a à H-5260i;

sur le côté qui repose sur le sol une enveloppe contenant l'inventaire de la caisse et numérotée de 1 à 9.

Le No 1 correspond au No 5260a, etc.

Ces caisses ne pouvant être portées dans la salle 21, il n'y a aucun inconvénient à ce qu'elles restent au sous-sol.

Palais de la Paix, 9 mai 1950.
